

SERVICES

We are a full-service and insured Home Staging and Estate Liquidation company. If there is a home, business, farmhouse or garage that requires partial or full liquidation services and/or cleaned out, we can assist you from beginning to end. Our consultations are confidential, free and come with no expected obligation.

Our personalized services are known to be:

Custom. Classic. Caring

We acknowledge that every home or establishment has its own unique differences, we do our very best to accommodate special requests where possible. See the list below for a high-level glance of services provided.

Estate Evaluations

Key staff associates are required to participate in the accredited training program led by Asheford Institute of Antiques. This knowledge lends them appraisal ability on various decorative arts, antiques and collectibles.

Downsizing and Home Transition

- Organizing / Packing
- Moving
